## YOUTH ELECTION VOTE TALLY WORKSHEET

1. In the column labeled **NAMES**, print the name of each member of the unit that is eligible for election. The names must match the **YOUTH CANDIDATE ELECTION REPORT**.
2. Use the columns labeled **VOTE TALLY** and **VOTES RECEIVED** for counting the number of ballots on which each nominee's name is written.
3. In the column labeled **CHECK IF ELECTED**, write an **X** opposite the name of each nominee that received the number of votes required for election (must receive votes from at least 50% of those who turn in ballots). See **Number of Votes Needed for Election** on the **YOUTH CANDIDATE ELECTION REPORT** for the required minimum number of ballots on which a nominee's name must be written.
