I acknowledge that I have read, and agree to, the [Truth in Lending Disclosure](#), the [Pay Later in 4 Agreement](#), including its [Payment Authorization terms](#). Klarna and partner banks may do a soft credit check to assess eligibility, marketing and other uses as stated in the [terms](#). This will not affect your credit score.

*Stores may update shipping costs and tax after you place your order. Any changes will be spread out over your remaining payments. If your purchase includes insurance, the insurance amount is included in the first payment.
